CAREER HISTORY

Shoot Technologies |
May 2018 - August 2018

WEB DEVELOPER INTERN

Participated in pre-project analysis and technical assessments to ensure the creation of a user-friendly interface.

Reviewed information regularly on websites and pages to ensure that it was accurate.

Increased web traffic 100% by improving navigation, creating dynamic media sections, and adding necessary plugins.

University of Houston |
October 2015 - August 2018

DESK ASSISTANT

Provided key support to 30 residents per day.

Promoted a welcoming environment while managing the desk assistant area. Fielded requests for information via phone and in-person requests.

Maintained detailed administrative and procedural processes to improve accuracy and efficiency.

Chevron Corporation |
June 2015 - August 2015

PROJECT ENGINEERING INTERN

Collaborated with engineers while being a resourceful team player to develop project plans for two major oil and gas projects.

Workload included Independent projects that allowed me to be a self-starter who takes initiative with minimal supervision.

EDUCATION

Bachelors in Computer Science | August 2018

UNIVERSITY OF HOUSTON

Minor in Mathematics.

Completed coursework in Web Security, Data Structure & Algorithms, and Software Design.

PROJECTS

YettiFood

A Food blog created with Node.js, Express.js, ejs, MongoDB/Mongoose and passport.js.
